ORIGAMI Corner

Origami is one of Japanese traditional cultures and has been a popular pastime among children. It is the art of folding a sheet of paper into various figures such as birds, animals and many other things without using scissors or glue.

At the ORIGAMI corner, papers in various colors and sizes are available and you can enjoy hands-on experience of Origami with a help of an instructor.

- Free drinks (coffee/tea/green tea/water) and cookies are served at the coffee break station.
- Free wireless internet access is available in the hall.
- Free laptops with the Internet connection are also available at the Internet station.
